50-50 Drawing

- None Held

Treasurers Report

- Report presented
- Motion to Accept: Bud Wunder
- Motion seconded: Nelson Gould
- Unanimously accepted.

Old Business: (Updates)

2016 Hamburg Swap Meet- Final Update

- Dennis Sell provided the update – another successful year
- Walk In Attendance was down which had a direct effect on food sales and 50/50 raffle sales also being down
- Several late minute table cancellations allowed them to be re-sold to the stand-by list which helped offset the lower food sales.
- Motion to Accept: John Messersmith
- Motion seconded: Nancy Messersmith
- Unanimously accepted.
- THANKS TO EVERYONE WHO HELPED WITH THE EVENT

Search for New Field -- Update

- Cliff Nash continues to be the focal point in finding a new field
- Two of the three EPA sites investigated have declined our request to meet and discuss a possibility of flying there.
- The third site has promised a response but none received so far.
- Numerous other sites have been visited as a result of the ads we ran in the Merchandizer and personally handed out at the Kempton Annual Auction and the Kutztown Farmers Market – unfortunately - all those leads proved to be not acceptable.
- An ad will be placed in the Northwestern Press and more flyers passed out at the Reading Farmers Market
- Nelson Gould suggest we contact The Rodale Group – good thought – we will pursue that suggestion
- Anyone hearing or seeing an opportunity is asked to provide the information to any of the club officers

New Business:

FAA Registration of RC Aircraft

- Current FAA requirement now in full effect
- New and ADDITIONAL requirements are pending final vote in the House
- AMA has sent an email to all members with a very easy link to follow to have letters sent to your local representative – please help!!

Next Meeting:

- The next meeting for May has been suspended at this time -- in accordance with the provisions of our By-Laws which allow monthly meetings to be suspended - one month at a time.
- We will revisit the need to meet in May closer to that time.
- We may try to arrange a meeting On-Line which might allow more members to participate.

Close Meeting:

- Motion to Close: Nanci Messersmith
- Motion seconded by: Fay Wunder
- Unanimously accepted – meeting adjourned at 2:00 PM
