

TCWSI MEMBERSHIP APPLICATION POLICY
(Revised 17 MAY 2015)

1. A prospective new member must complete TCWSI application and the correct amount of dues.

With the receipt of the application, the Applicant will be announced via email to the club members. His application to join the club will be put on the next scheduled club meeting agenda. The applicant will attend the meeting and introduce himself to the club members. The applicant will then be voted on (accepted/rejected) by the club members present at the meeting.

2. She/he must be sponsored by one (1) present TCWSI member in good standing.
3. The new member must sign a statement that he/she has read and understands the safety rules and the club By-Laws and that he/she is willing to assume the penalties for any infraction of the same.
4. All current members must also sign a statement that he/she read and understand the safety rules and club By-Laws and is willing to assume the penalties for any infraction of the same. Refusal to sign, will automatically disqualify him/her from the following year's membership.
5. Upon acceptance as a member, you will receive a copy of the club's safety rules and By-Laws.

These rules are necessary for the club's protection. TCWSI has a lot to offer and has nothing to gain from irresponsible individuals. The intent is to keep our membership of the highest caliber. Keep in mind – "Membership in any club is a privilege and not something to be assumed!"
